[Business representative]

[Business name]

[Business address]

Dear [Business Representative],

I am the Wellness Leader for [School Name] in [School District]. At [School Name], we are working hard to make our school a healthier place for both students and staff by creating a culture of wellness in our school. In doing so, we are writing to ask for your support of our school wellness initiative.

[School Name] participates in a district-wide wellness initiative with the MUSC Boeing Center for Children's Wellness. The initiative helps train and guide our school on how to implement effective and evidence-based physical activity and nutrition changes. These changes enhance the school environment and strengthen policies for both students and staff to improve the health of students so they are better prepared to succeed in school and thrive in life.

Some of the changes our school has implemented as part of this initiative include:[offering of fresh fruit and vegetable tastings, the promotion of healthy fundraisers, school gardens, and increasing physical activity during the school day, etc]. This year, we are excited to grow our wellness initiatives by [list of examples of school wellness activities your school needs funding for]!

A critical piece of the school wellness initiative is to engage community partners in our efforts to create sustainable change. Our school believes that [Business Name] would be an excellent sponsor to support our wellness goals. We are asking that [Business Name] consider donating [\$250, \$500, other] to our wellness efforts this year. Your partnership with our school would be another wonderful way to support your community by investing in the health and wellness of the students who live here!

You can learn more about the School Wellness initiative at MUSC Boeing Center for Children's Wellness we participate in [here](#).

We are eager to hear from you and thank you for your consideration. Please contact us with any questions you may have. If your business is interested in partnering with our school, you can contact us by:

- Phone: [phone number]
- Email: [email]
- Mailing Address: [mailing address]

Thank you,
